## Marriage on the Rock?

People spend hours every week working on their body at the gym. They spend hours in front of a mirror trying to look better. Hours are invested in reading and staying on top of the latest developments in their occupational field. Much time is spent researching a company when considering a stock purchase. But how much time is invested in what is the single most important human relationship of our entire lifetime? So many people take their marriage for granted — and wished they hadn't.

### ALL ABOUT PRIORITIES

If you are married, if you ever plan on marrying, if you want to be able to help married folks, if you want to know the relational differences of men and women, then we have a **5 week** relationship series that you need. Beginning **Wednesday evening, March 20th, from 7-9pm at the church**, we will be showing the best of Gary Smalley's "Keys to Loving Relationships" video series.

### ABOUT GARY SMALLEY

Dr. Gary Smalley is a Christian counselor whose video tape series has been seen by over 700,000 churches and households. He shows *how* to implement Christ's relational principles into real life. Some topics will include "*The Single Most Important Ingredient in Building a Loving Relationship*"; "*Four Essential Elements Every Relationship Needs to Succeed and Grow*" and

"*Overcoming the Major Destroyer of Relationships - ANGER*". This series can radically change your view of your spouse. Your love and appreciation for your spouse will never be the same if you apply Smalley's advice.

*Our view of our spouse is so important to the health of a marriage.*

### MAKE A COMMITMENT!

So invest in your marriage and your key relationships. Put time into committing to this series *for all 5 weeks*. Also please encourage a friend to come and invest in their key relationships. We will have invitations at the church to distribute. Childcare will be provided, so see you there!
