## Heavenly View

Joe and I went to a bed and breakfast to get away during spring break. I took my journal along to read how God showed Himself to me in the past because right now He seems invisible. *The tomb is more real than the resurrection.*

What an eye opener I had...I want to share one day with you from my journal. A day He spoke... through His word, and the people of FBCWR. My ears were open then. The Invisible had to be more real than the Visible...

**January 22, 2003**

Another tumor on Joe's stomach...fear and anger overtake me. How do I pray??? Your will be done on earth as it is in heaven.

What's going on in heaven?? No pain. No melanoma...

Okay Lord I pray Your will in heaven be on Joe... No melanoma... I'll wait for You to answer ... 'cause I am praying Your will... (All the theologians are speaking in my head,) but Lord I'm just going to lean hard on this Word You have given me and wait.

\*Saw Aaron McConnell today and he said to me in his simple words, "God don't give no snakes". Little does he know that I heard that as the voice of God. He would laugh. I just want to believe.

\*I got a card saying in small letters on the bottom "persevere in prayer".

\*A friend calls and cries out a prayer with me. A prayer to let Joe live.

\*My daughter Amy comes home and says she learned about the Chicago fire. How Dwight Moody tried to get people to come and hear the gospel in Chicago...nobody came. The fire brought people, lots of people. Chicago became Chicago because of the fire. People heard the gospel because of the fire.

Lord, Your voice through Your word... late at night You speak to me again. Deuteronomy 1:21— "See, the LORD your God has placed the land before you; go up, take possession, as the LORD, the God of your fathers, has spoken to you. Do not fear or be dismayed."

He wants us to go and possess His land as He brings victory and resurrection... through our faith in His Son... who is seated in the heavenlies where God's will is happening. Where we are seated with Him to bring His will to earth.

I pray for our church  
to hear Him like we need Him.  
To know Him because we want to.  
To live in the unseen  
as if it were more real  
than what we see...  
All our trials,  
All our fears.  
All our broken dreams.

One day with open ears is greater than a 1000 with dull ears...
