The Lord GOD
is my strength,
And He has made
my feet
like hinds' feet,
And makes me walk
on my high places.

Jesus

You have spoken,
You have bent down
And lifted me up...
on your shoulders.
Close to your ear...
Close to your lips...

You whisper...

"See" as you point

To the end of the journey..

"Way up there ...

Past the miles of hills, valleys,

weeds and rivers—

a home

Waiting for you..

A place where

My Father...your Father....

waits for you".

I get so distracted

On the journey.

The worries, the hurts,
the fears, the obstacles...

get bigger than
the destiny.

I start trying to make

this place my home.

Cozy, secure, self-protected
from the elements...

Never works.

Never happens...

Until you bend down and lift me up

On Your shoulders

To hear your voice

And feel your presence.

You're my
home
away from
home.

You are my
transportation
to the High
places

To My
Father's
Place.

My real
home.

My Destination.

You make my feet like hinds feet...
that I might reach my high places.
